

# 2017-18 WEST ORANGE BAND PROGRAM PAYMENT PLAN CONTRACT

Participation in a nationally-recognized band program requires a financial commitment which exceeds the financial support provided at the county level. As educators, we believe in providing your student with the highest quality music education possible. To this end, it is necessary for us to assess each student to cover costs inherent in providing a positive, life- changing experience. To enable as many students to participate as possible, we have added a “Payment Plan Contract” option this year to assist families that may require additional time to meet the financial obligations of the West Orange Band Program.

As distributed in April 2017, the following is the breakdown of assessments for 2017-18. Please refer to the “Financial Information” handout posted on our website for detailed information regarding each area of assessment ([www.westorangeband.com](http://www.westorangeband.com)).

Note: While there are other financial obligation requirements for the West Orange Band Program as noted on our website and as provided via parent meetings and e-mails, the Payment Plan Contract specifically addresses the Band Fair Share of \$200 that is **due by Wednesday, August 2, 2017**.

I, \_\_\_\_\_, the parent/guardian of \_\_\_\_\_ acknowledge the Band Fair Share requirements for full participation in the West Orange Band Program for the 2017-18 school year and request a Payment Plan to meet these requirements. Additionally I understand and agree to the following:

1. A signed payment plan contract with the minimum \$50 payment is **due by Wednesday, August 2, 2017** for my student to fully participate in the 2017 Warrior Band Show and receive the T-shirt for the Premiere Show.
2. The Payment Plan Contract requires that I make a payment every two (2) weeks. If I fail to make two (2) consecutive payments (one month of payments), my child will be placed on Alternate Status for the 2017 Warrior Band Show until such time as our Payment Plan Contract obligations are current.
3. The Band Fair Share of \$200 is **due in full by Friday October 13, 2017**.

I will pay \$\_\_\_\_\_ every two (2) weeks beginning on \_\_\_\_\_ (date) and ending on \_\_\_\_\_ (date)
