

# 2017-18 WEST ORANGE GUARD PROGRAM PAYMENT PLAN CONTRACT

Participation in a nationally-recognized band and guard program requires a financial commitment which exceeds the financial support provided at the county level. As educators, we believe in providing your student with the highest quality music/colorguard education possible. To this end, it is necessary for us to assess each student to cover costs inherent in providing a positive, life-changing experience. To enable as many students to participate as possible, we have added a "Payment Plan Contract" option to assist families that may require additional time to meet the financial obligations of the West Orange Band Program.

As distributed in April 2017, the following is the breakdown of assessments for 2017-18. Please refer to the "Financial Information" handout posted on our website for detailed information regarding each area of assessment ([www.westorangeband.com](http://www.westorangeband.com)).

Note: While there are other financial obligation requirements for the West Orange Band Program as noted on our website and as provided via parent meetings and e-mails, the Payment Plan Contract specifically addresses the Marching Season Guard Fair Share of \$350 that is **due by Wednesday, August 2, 2017**. \$150 of the assessment is for the colorguard uniform and \$200 is for the guard fair share.

I, \_\_\_\_\_, the parent/guardian of \_\_\_\_\_ acknowledge the Guard Fair Share requirements for full participation in the West Orange Guard Program for the 2017-18 school year and request a Payment Plan to meet these requirements. Additionally I understand and agree to the following:

1. A signed payment plan contract with the minimum \$50 payment is **due by Wednesday, August 2, 2017** for my student to fully participate in 2017 Marching Season and receive the Uniform for the performances.
2. The Payment Plan Contract requires that I make a payment every two (2) weeks. If I fail to make two (2) consecutive payments (one month of payments), I must contact the band director or my child will be placed on Alternate Status for the 2017 Guard Program until such time as Payment Plan Contract obligations are current.
3. The Marching Season Guard Fair Share of \$350 is **due in full by Friday October 27, 2017**.

I will pay \$ \_\_\_\_\_ every two (2) weeks beginning on \_\_\_\_\_ (date) and ending on \_\_\_\_\_ (date).
